## **Gulf Breeze's G. Daniel Green Honored as Appraisal Institute's 'Volunteer of Distinction'**

CHICAGO (Aug. 8, 2012) – G. Daniel Green, MAI, SRA, of Gulf Breeze, Fla., was recognized today as the Appraisal Institute's August "Volunteer of Distinction" for Region X.

The Appraisal Institute is the nation's largest professional association of real estate appraisers; Region X consists of Florida, Puerto Rico and the Virgin Islands. Green is a member of the Florida Gulf Coast Chapter.

"Dan Green is an excellent ambassador for the Appraisal Institute," said Appraisal Institute President Sara W. Stephens, MAI. "We're privileged to have members like Dan who actively contribute to the real estate valuation profession and to their local communities every day."

Green will serve as alternate regional representative of the Florida Gulf Coast Chapter in 2013. He was president and regional representative of the former Northwest Florida Chapter in 2011, vice president and alternate regional representative in 2010, vice president in 2009, secretary in 2008 and served on various committees over the years. He also was chair of the ad hoc committee that helped merge the former Northwest Florida and West Coast Florida Chapters. He became a member of the Appraisal Institute in 1990 and received his MAI designation in 1993.

He has been president of G. Daniel Green and Associates in Gulf Breeze since 1988, and has been involved in the real estate valuation profession for 34 years.

Green helped found and manage the initial years of the Pensacola (Fla.) Beach Elementary Charter School, and served as governing board president for six years. The school won the national "Blue Ribbon Award" in 2009-10, which was established by the U.S. Department of Education, and recognizes successful elementary and/or secondary schools in the United States that are academically superior, that make significant progress in closing the achievement gap or that demonstrate dramatic changes in

student achievement in reading and mathematics for all students. He also served on land use boards, structural code boards and the Land Lease Extension Policy Committee.

He earned a bachelor's degree in real estate and urban land studies from the University of Florida in Gainesville.

He is married to Gail Claytor Green; they have two children.
