If University is accepted into the Appraisal Institute's Master's Degree Program, University agrees that following terms and conditions shall apply:

LOGO LICENSE

Each party grants to the other party a limited, non-exclusive, non-transferable, revocable royalty-free license to use each party's respective logos ("Logo") in connection with University's participation in the Master's Degree Program. Both parties understand and agree that each has and shall retain sole and exclusive right, title, and interest, including copyright and all other rights, to its Logo. There is no fee, royalty, or other payment required by either party for such use. This license will terminate if University ceases to be a member of the Appraisal Institute Master's Degree Program. Both parties shall not use, or permit to be used by any person, the Logo of either party without the other party's prior written consent, other than the limited use under this agreement. With respect to any use of the Logo, both parties shall ensure that the applicable copyright or trademark notice is made.

Both parties shall maintain the quality standards set forth herein in connection with its use of the other party's Logo in accordance with the Appraisal Institute's Regulation No. 5, Graphic Standards Manual, and Trademark Usage Manual, which are incorporated by reference into this Agreement. AI shall have the right to offer written comments, changes, or suggestions on the quality standards applicable hereunder, which University may accept in its sole discretion.

Both parties agree not to do or cause to be done anything that would in any way impair, ridicule, or depreciate any of the other party's right, title or interest in, or the validity of, its Logo. Both parties will not at any time knowingly do or cause to be done any act or thing which will negatively affect the status or character of the other

party's Logo and will not contest, or take any action that will in any way impair, or tend to impair, each party's ownership of, or sole right, title or interest in and to its respective Logo. The provisions of this Section will survive the termination, for whatever reason, of this Agreement.
