

Appraisal Institute Members Earning Their Designations during 2022

The Appraisal Institute's designations have long been recognized as marks of excellence in the field of real estate valuation and analysis.

Achieving an Appraisal Institute designation signifies that an appraiser has gone above and beyond the education and experience needed for state certification. Members submit to rigorous educational requirements, exams, and reviews to earn the designations, and they keep current in their knowledge through participation in continuing education programs.

The Appraisal Institute congratulates the following new designees.
